CLARIFICATION OF PROCEDURE: FIREPLACE AND GAS LINE INSPECTIONS

EFFECTIVE IMMEDIATELY

Authorization:

Fayette County Code, Chapter 5, Section 5-32 (Ord. 2006-16).

General:

This procedure provides for the rough inspection of manufactured and masonry fireplaces, hearth extension materials, and gas lines to be included in the HVAC rough inspection. **Do not** call for a “Fireplace Inspection” or “Gas Line Inspection” unless the fireplace is separate from the main structure, or the gas line is supplying an exterior appliance, fireplace or swimming pool heater.
